Monthly Updates

There have been six (6) nuisance cases submitted to the District Attorney for action.

Attended a DEVNET new software meeting in Fallon. This was followed up with a webinar to demonstrate how we currently conduct plan reviews. This software will include inspections and GIS functions. When completed it will replace ERS (inspection software), AS400 (permit software), Pictometry (aerial and GIS software) and internal server for property files.

Attended final Northern Nevada International Code Committee meeting and voted on final amendments for region. Working with Bob Morris on ordinance for the BOCC to consider adopting both fire and building code amendments.

Adopted new policy in cooperation with Assessor's and Clerk's Office in regards to business license renewal when taxes are due in accordance with county ordinance.

Updated the Special Inspector Package thru input of private industry.
